MEMORANDUM FOR: Colonel L. A. Gault
Acting Deputy Director (Administration)

SUBJECT: Housing Allowances at [REDACTED]

25X1

On my recent trip, the only place I found a morale problem due to finances was at [REDACTED] where housing is so tight and fuel so expensive that everyone at the Station is finding our housing allowance quite inadequate. The morale problem is particularly complicated because the Station is under [REDACTED]

25X1

[REDACTED] I think this should be reviewed at once.
